Pol parties greet people on Shab-e-Qadr, Jumat-ul-Vida; pray for peace, stability

Srinagar, April 28: Political parties Thursday greeted people on the auspicious occasions of Shab-e-Qadr and observance of Jumatul Vida.

The Jammu and Kashmir Pradesh Congress (JKPC) President Ghulam Ahmad Mir has said that Shab-e-Qadr is extremely pious night in which Almighty Allah revealed the Quran to Prophet Muhammad (SAW) for guidance of mankind.

Shab-e-Qadr known as Lailatul Qadr is the most significant occasion, which provides opportunities to seek mercy and forgiveness of sins.

The basic message of this auspicious occasion is to purify souls from all sins and lead the life of truthfulness, the JKPC president said.

JKPC president also greeted people on the observance of Jumatul-Vida, hoping that auspicious occasion leads the people to the path of righteousness, bringing prosperity and happiness in the country in general and J&K in particular.

Apni Party president Syed Mohammad Altaf Bukhari in his message of felicitation, said that this auspicious night gives us an opportunity to seek forgiveness from Allah and seek his mercy, blessings and generosity.

"This is a night of forgiveness and on this night Almighty Allah chose to reveal

the holy Qu'ran to Prophet Muhammad (SAW) for the guidance of the mankind. We need to follow the teachings of the Quran and rectify our mistakes and seek blessings and forgiveness from the Creator. I would pray for peace, prosperity and tranquility for the people of Jammu and Kashmir," he said.

Former Cabinet Minister and Apni Party senior vice-president Ghulam Hassan Mir extending hearty greetings to people while observing that Laylatul Qadr, 'Night of Power', holds a very important place in Islam wherein Almighty Allah revealed the Quran to his beloved Prophet Muhammad peace be upon him.

"It provides us the best opportunity to seek mercy and forgiveness on this sacred night and pray for peace and prosperity across the region," he added.

BJP general secretary (organization) Ashok Koul felicitated the whole Muslim Ummah on the auspicious occasion of Shab-e-Qadr. Shab-e-Qadr means the night of forgiveness & atonement, Koul said.

He prayed for betterment of the people and hoped that the holy night would bring Allah's generosity to all. He also prayed that the auspicious occasion would strengthen the bonds of communal harmony and brotherhood and be a harbinger of peace and prosperity in the state.

Kashmir Media Incharge

Manzoor Bhat also felicitated people on the auspicious occasion of Shab-e-Qadr, also known as Laylatul-Qadr, the holy night when people congregate to pray to Almighty Allah seeking his forgiveness.

In his message, extending hearty greetings to people while observing that Laylatul Qadr, holds a very important place in Islam wherein Almighty Allah revealed the Quran to his beloved Prophet Muhammad peace be upon him.

Disallowing prayers at Jamia Masjid puts govt's normalcy claims into question: Omar Abdullah

Srinagar, April 28: National Conference (NC) vice-president Omar Abdullah Wednesday said disallowing prayers at Srinagar's Jamia Masjid has put into question the normalcy claims of the incumbent administration.

He said this, while addressing a meeting of the YNC functionaries of Central Zone here at the party headquarters Nawa-e-Subha, Srinagar, a party statement said.

Among others party general secretary Ali Muhammad Sagar, provincial president Nasir Aslam Wani, chief spokesperson Tanvir Sadiq, YNC provin-

cial president Salman Ali Sagar, deputy political secretary to VP Mudassir Shahmiri, and central zone YNC president Mir Mush-taq were also present on the occasion. The meet was also marked by the attendance of all the Central Zone YNC the district presidents, the statement said.

Addressing youth functionaries, Omar alluded to the scores of youth, who are languishing in Jails and called for their release in view of the upcoming Eid festivity. "There are families who can ill-afford to meet their wards languishing in different jails of the country. Government

should consider transferring such youth to local jails. The measure will bring respite to thousands of such families who are yearning to see the faces of their young ones on the eve of Eid," he said.

Questioning disallowing of congregational prayers at Jamia Masjid he said such gags deflate the normalcy claims of the government in Kashmir. "If everything is normal then why is Jamia Masjid being kept out of bounds for devotees," he said, demanding that the gates of Jamia be left open for devotees in view of Jumatul Vida and Eid prayers.

Not to allow prayers on Shab-e-Qadr, Jumatul-Vida at Jamia Masjid Sgr unacceptable: PAGD

Srinagar, April 28: The directive of the administration not to allow the congregational prayers on the holy occasion of Shab-e-Qadr and Jumatul-Vida at historic Jamia Masjid Srinagar is highly deplorable, a statement from the Peoples' Alliance for Gupkar Declaration (PAGD) said.

The authorities, according to reports, have asked the managing body of the Jamia Masjid, not to offer prayers on Shab-e-Qadr and Jumatul-Vida, the last Friday of the holy month of Ramadan.

The move will bar thousands of people from offer-

ing the congregational prayers inside the historic mosque.

Since it amounts to direct interference in the people's religious matters, the move is unacceptable and reprehensible, the PAGD statement said.

The PAGD urges upon the government to reconsider its decision forthwith and allow the people to offer the prayers.

Allow Panchs, Sarpanchs to visit home on Eid, ensure their security: Mehbooba

Srinagar, April 28: The Peoples' Democratic Party (PDP) president and former Chief Minister Mehbooba Mufti Thursday censured the administration for drum beating the "hollow slogans" of normalcy while thousands of Panchs and Sarpanchs continue to be holed up in dingy clusters against their will.

A party statement said that bringing to fore the fact that while GOI boasts about strengthening Panchayat institutions, Mehbooba Mufti said, the reality is these Panchs and Sarpanchs cannot even visit their homes.

"Multiple representations

from these PRI members have shared gory stories about the pathetic living conditions, insecurity and how they feel deceived, suffocated in clusters without even the freedom to visit their homes and villages let alone be of service to the people. Administration should facilitate their visit to homes and ensure security so that they can at least meet their family on Eid," Mehbooba Mufti said.

On the occasion Mehbooba Mufti also urged the government of India to release all political prisoners languishing in jails on humanitarian grounds before Eid.

Industry stake important for 'sustainable' StartUps: Dr Jitendra

New Delhi, April 28: Union Minister of State, Dr Jitendra Singh Thursday said that the industry stake is important for "sustainable" StartUps.

A party statement said that while, addressing the 'Azadi Ka Amrit Mahotsav,' Atal Innovation Mission (AIM) event organised by the NITI Aayog here titled, "Celebrating 75 years of India's Innovation Journey," Dr Jitendra Singh said, Atal Innovation Mission has ignited the spirit of innovation and entrepreneurship in our schools and colleges thus motivating them to become confident self-employers.

He informed that the Mission through its various programmes has been supporting more than 2,200 StartUps in all the major fields of innovation like Health Tech, Fin-tech, Agri-tech, AI-ML, IOT and other sectors of public importance.

Dr Jitendra Singh said, our greatest asset is Prime Minister Narendra Modi, who not only has a natural predilection for science but is also forthcoming in supporting and promoting science and technology based initiatives and projects. He said, India's scientific pro-

cess is going to have a major role in the making of "Atma Nirbhar Bharat".

Dr Jitendra Singh said that from inculcating innovative mind-set in school children through Atal Tinkering Labs to supporting StartUps and innovators through its programmes like Atal Incubation Centres, Atal Community Innovation Centres and ANIC challenges, AIM has been transforming innovation and entrepreneurship landscape in the country holistically and comprehensively. He said, Atal Innovation Mission, which recently completed its 6th year since inception, is complementary to the government's vision of "Sabka Saath, Sabka Vikaas, Sabka Prayas".

Apart from referring to the mentorship programme of DST, Dr Jitendra Singh

said, Atal Tinkering Lab with the mantra of "Catch them Young" needs further development and widespread reach to capture grassroots innovation.

He said, with a vision to 'Cultivate one Million Children in India as Neoteric Innovators', AIM is establishing Atal Tinkering Laboratories (ATLs) in schools across India. The objective of this scheme is to foster curiosity, creativity and imagination in young minds; and inculcate skills such as design mindset, computational thinking, adaptive learning, physical computing etc.

'Azadi Ka Amrit Mahotsav' is an initiative of the Government of India to celebrate and commemorate 75 years of independence and the glorious history of its people, culture and achievements.

NC women's wing stages protest against electricity cuts

Srinagar, April 28: National Conference (NC) women's wing Thursday said the power crisis in Jammu and Kashmir is deepening with each passing day, saying people are seeing no relief from unscheduled outages.

ber having seen such power shortages in their lifetimes, especially in summers. Normal life has been crippled and ongoing Ramadan fervor has been dampened due to the worsening crisis. The power shortage has also impacted patient care of mostly home-bound patients who survive on oxygen concentrators. Government is in a world of its own, detached from the predicaments of our people," they said.

"Curtailement of electricity at sehri and iftar hours is being deliberately done to hassle us. Are you playing with our sentiments? If your intention is not to play with our sentiments, then give power during sehri and iftar hours, and cut it at other hours of the day," they added.

According to a party statement, this was said by the party's women's wing functionaries in a protest against the worst ever and pervasive power crisis in Kashmir.

Led by the party's women's wing president Shameema Firdous, the protesting women's wing functionaries raised placards demanding relief from the unscheduled power cuts and unsteady water supply.

Among others, the party's provincial wing president Er. Sabiya Qadri, district president women's wing Baramulla, Adv. Neelofar Masood were also present in the protest march.

BJP govt turning deaf ear to mounting public grievances in J&KUT: Bhalla

Jammu, April 28: Pradesh Congress Committee (PCC) working-president Raman Bhalla Thursday claimed that so far the BJP rule has been of "mismanagement, immense despair and agony" and the country today stands at a stage where the common people are suffering from the wounds inflicted by the government.

According to the party statement, continuing his efforts to listen to grievances of aggrieved people in various areas of Gandhi Nagar constituency, Bhalla said politics of disorientation and false propaganda have become the hallmark of the functioning of the Modi government.

While interacting with aggrieved people of rural areas of Gandhi Nagar constituency, Bhalla said that the eighth year of the gov-

ernment stands at a stage where the citizens of the country are forced to suffer the countless wounds and ruthless insensitivity inflicted by the government, the statement said.

Bhalla lashed out at the central government for the unprecedented price hike and record unemployment besides failing to address the grievances of people of J&K on every count after promising massive development post August 5, 2019.

Former minister blamed the government for failing to tackle prices and making life difficult for the common man. There is no doubt that there has been a significant increase in poverty and hunger, he said.

The former minister further said that public grievances are mounting every day but the government has remained unmoved.

Bhalla said that public issues and grievances are piling-up with the passage of every day but the administration has failed to solve the basic issues.

Bhalla observed that governments are elected to ease the burden of people and at the very least, not work directly contrary to their interests. Every citizen is anguished and deeply distressed regarding the spiralling fuel and gas prices.

Omar's utterances prove PAGD only to save two family rule in J&K: Vakil

Srinagar, April 28: Reacting on the statement of Omar Abdullah that 'PAGD should fight the polls together to keep BJP and its B and C teams away so they don't divide our votes', Peoples' Conference (PC) senior vice-president and former minister Abdul Gani Vakil said that the sole objective of the main constituent parties in PAGD is to gain power and safeguard their interests at the cost of the interests of the people of Jammu and Kashmir.

Vakil said NC and PDP are eager to form an alliance in order to "grab power". Omar Abdullah's statements make it clear that their only goal is to achieve power by allying with anybody to secure their personal interests but both NC and PDP need to understand they can no longer mislead the people of J&K, he said.

People protest against worst power supply in Akhnoor, burn effigy of LG's Admn

STATE TIMES NEWS
AKHNOOR: Annoyed over the frequent power outages in Jammu and Kashmir, hundreds of people from Akhnoor led by Atul Sudan, youth leader and social activist gathered at Nirdosh Chowk and staged protest. Gathered people including Sarpanchs, Panchs and prominent people criticised LG administration for unprecedented power scenario situation during the peak summer. They burnt effigy of LG Administration and raised slogans against PDD Department and LG Administration.

Sham Singh Langeh and Sarpanch Ganesh Dass while addressing media said that the common man is facing nightmarish experience with no proper schedule of the power in the region which is unacceptable as people were expecting round the clock supply under the LG's administration.

Social Activists Ritesh Gupta and Sushil Sharma while addressing said that the shortage of power supply has led to scarcity of water in the area. LG should take cog-

nizance of the matter and issue necessary instructions to the PDD authorities for immediate action to ensure uninterrupted power supply to the people. They allege those in Power at center claiming to provide "Bijli Mukh" had made J&K "Bijli Mukh."

Expressing concern over the worst summer power crises in decades in Jammu, Atul Sudan said, "Over the past fortnight, most parts of the Jammu division especially rural areas have received electricity supply only for about five to six hours daily that too in intervals ranging between 15 minutes and half an hour. The rising mercury, heat wave, and unscheduled

power cuts in several parts of Jammu province have started affecting residents of Akhnoor and all villages very badly. Such a crisis has never been witnessed in the last three decades.

He said that the PDD should not force the people to come out in protest and block the roads in protest against their inefficiency.
