CBI conducts surprise checks at FCI godowns in Punjab, Haryana

NEW DELHI, Jan 29: The CBI conducted surprise checks at 20 Food Corporation of India (FCI) godowns in Punjab and Haryana after getting a number of complaints regarding alleged irregularities, officials said today.

The move is part of preventive vigilance to check corruption at locations where public dealing takes place, they added.

The action started jointly with vigilance teams of the FCI at about 20 locations in the two states, the officials said.

The state-agency godowns leased to the FCI in eight of the 13 FCI districts have been covered during the joint operation, government sources said.

The exercise began late on Thursday evening and is continuing, they added.

The Central Bureau of Investigation (CBI) sleuths are checking the quality and quantity of the central-pool foodgrain stocks stored in these godowns and samples of wheat and rice pertaining to 2019-20 and 2020-21 have been collected from these places, the sources said.

The agency is carrying out the operation at the FCI godowns in Dhuri, Rampura, Ferozepur, Budhlada and Tapa, besides the Central Warehousing Corporation godown at Sri Muktsar Sahib.

Five godowns of the Punjab State Warehousing Corporation at Khanna (Ludhiana), four at Jagraon (Ludhiana), one at Mansa (Mansa) and one at Sultanpur Lodhi (Kapurthala) have also been covered during the operation, the sources said.

Agency officials have reached the PEG godowns managed by state agency Punjabgrain at Raman (Bathinda), Fazilka (Fazilka), Ferozepur, Ajitwal (Moga), Lehraagaga (Sangrur) and Patti (Tartaran), they said.

In addition, around 10 godowns at Shahbad and Sirsa in Haryana will also be covered during the surprise-check operation, the sources said. (PTI)

Farmer agitations cause Rs 600 cr loss on toll collections: Report

MUMBAI, Jan 29: The ongoing agitations by farmers in the national capital region (NCR), Haryana and Punjab will cause a Rs 600-crore loss to toll collections, a report said today.

Apart from the impact on toll collection due to restrictions in vehicular movement, there is also a debt of over Rs 9,300 crore taken by the stakeholders which is at "risk", ratings agency Ica said in the report.

Farmers have been agitating in several north Indian states demanding a repeal of three new farm laws, which were passed by Parliament.

Assuming that protests would subside by February, the agitations are likely to result in a steep decline of around 30-35 per cent in toll collections in the affected states in 2020-21, it said. It is compared with a 5-7 per cent decline for the rest of India, which is attributable to the pandemic, the report added.

A total of 52 Toll Plazas, including both public-funded and BOT (built, operate and transfer), on national highways (NHs) in Punjab, Haryana and Delhi-NCR have been directly or indirectly affected due to farmers protests, the agency said.

The revenue loss in the state highways projects in these regions will be an additional burden, it said.

While the impact on fee collection at some Toll Plazas began from October 2020 onwards, the same has intensified to no fee collection with the free movement of vehicles at all toll plazas in Haryana, Punjab and Delhi-NCR since December 12, 2020.

"The average toll collection per day at these Plazas is estimated at Rs 7 crore.

"Until January 26, 2021, these National Highway Toll Plazas would have incurred an estimated revenue loss of around Rs 560 crore, of which Rs 410 crore is estimated for BOT Concessionaires," said Vice-President (Corporate Sector Ratings) Rajeshwar Burla.

Out of the Rs 9,300-crore of impacted debt, Rs 8,550-crore of debt is at a high risk of default, while Rs 750 crore is rated as investment grade with low to moderate risk of default, he added.

Some of these entities also have debt service reserves (DSRAs) of around three months in place to use for such exigencies; however, this would have been completely used up by now, he said.

The inability to collect toll for a continuous period of 24 hours and exceeding an aggregate period of seven days in an accounting year due to agitations/ strikes would be considered an indirect political event under the force majeure clause, the agency said.

In such cases, with the costs attributable to such events, beyond the insurance cover, one half of such excess amount is likely to be reimbursed by the National Highways Authority of India (NHAI), covering around 25 per cent of the loss of revenue incurred by the affected projects, it said, estimating it to be at Rs 100 crore. After gap of 10 months, pre-primary classes to restart at all Punjab schools from Feb 1

CHANDIGARH, Jan 29: Punjab School Education Minister Vijay Inder Singla today said following the conditional approval of the State Government, pre-primary classes at all Government, aided and private schools will restart from February 1.

The Punjab School Education Department had on Wednesday announced to restart primary classes at all schools from January 27.

Students of classes 3 and 4 will be allowed to attend school from January 27 while those of classes 1 and 2 will return to their classrooms from February 1, it had said.

Earlier this month, the State Government had reopened schools for classes 5 to 12.

With this, all schools will be fully functional in the State for the first time after the institutions were shut down in the wake of the coronavirus pandemic.

The Cabinet Minister claimed that as parents have firmly supported the decision of Chief Minister Amarinder Singh-led Punjab Government on reopening of schools, he has directed the Education Department officials and school managements to strictly comply with the COVID-19 safety guidelines issued by the Government.

The Minister said that schools would be functioning from 10 am to 3 pm after an interval of almost 10 months due to the pandemic.

He said the detailed safety guidelines have been sent to the schools for strict compliance.

Singla said that as the students of pre-primary classes are kids, the department officials and management have been directed to remain more attentive towards them to ensure their safety.

In an official statement here, he said that the schools have been asked to prepare special seating plans keeping social distancing norms in mind apart from compliance of other safeguards including masks and handwash on regular intervals.

Singla said classes 3 to 12 have been reopened in a phased manner and teams have been regularly visiting all schools randomly to make sure that safety norms and guidelines are being observed.

He said that they have been asked to sensitize school principals and other officials regarding do's and don'ts regarding the pandemic.

Singla said that principals and school teachers have also been directed to reach out to parents through various means of communication including public address systems to make them aware of the safety norms.

He said the department officials, schools heads and teachers had worked hard to reach out to the students for their education through online mediums during the past ten months.

Despite several odds, they succeeded in their mission which saved precious time for students and now final revision would be done in the classrooms, he added. (PTI)

GMC Rajouri gets vital medical equipment under WB-funded project

Have received 2 dialysis units, other vital equipments, installation process on: Principal

SUMIT BHARGAV

Rajouri, Jan 29: A number of vital medical equipment including two dialysis units have been received by the health department in Government Medical College and Associated Hospital (GMC-AH) Rajouri under the World Bank funded project, Jhelum Tawi Flood Recovery Project (JTFRP).

These equipments under World Bank project have been provided to Government Medical College and Associated Hospital by Jammu and Kashmir Medical Supplies Corporation Limited.

The Government Medical College was sanctioned for Rajouri in 2016 and it started to function in 2019 after which many new departments were established while existing district hospital Rajouri was brought under the banner of Government Medical College and was renamed as GMC Associated Hospital. However, shortage of some specialised equipment was affecting advanced healthcare services in the hospital.

Meanwhile, a number of vital equipments categorised under specialised patient care services have been received in the last few

days in medical colleges and associated hospitals.

Officials told Greater Kashmir that these WB-funded equipment have been received in college and their installation process is going on. These equipments include numerous operation tables, syringe pumps, oxygen concentrator, biphasic defibrillator, cardiac monitors, nasal therapy units, bilirubinometer, x-ray machine, high flow nasal therapy unit, ultrasonic coagulation unit, 5-part hematology unit, water purification units.

Besides, two Haemodialysis units have also been received in hospital raising the total number of units in the dialysis ward to six and is being seen as a major boost to the dialysis section of hospital where dozens of people receive free dialysis treatment under PM national dialysis scheme.

Principal Government Medical College, Rajouri, Dr. Kuldeep Singh told Greater Kashmir that medical equipment under WB funded project have been received and many have been installed and installation of few is under process.

Dr. Singh hailed WB-assisted JTFRP for being prompt and providing medical healthcare equipment to the GMC Rajouri, which he said would provide a big relief for addressing relief in providing best possible healthcare facilities to the people of the far-flung areas. He further said that two dialysis units are the main units provided under the initiative and will result in a major boost to the dialysis section of the hospital.

Notably Greater Kashmir earlier reported that with an aim to bolster the healthcare sector across Jammu and Kashmir amid global

COVID pandemic that over Rs 360 crore World Bank-funded project under Contingency Emergency Response Component (CERC) would strengthen healthcare at peripheries and reduce unnecessary referrals.

"Achieving major augmentation of healthcare facilities amid COVID pandemic is a top most priority for the government and we have been able to achieve the major target so far," said, Chief Executive Officer, Jammu and Kashmir Economic Reconstruction Agency, Jammu Tawi Flood Reconstruction Project (JTFRP), Dr Syed Abid Rasheed Shah told Greater Kashmir. "Our aim is to strengthen patient care in J&K hospitals. It is only possible with the World Bank-funded project to provide quality patient care at the doorsteps," he said, adding "Vital critical care healthcare equipment worth 50 million are being procured under the project and we are doing our best to get through this ambitious project very soon," Dr Shah said.

Jammu and Kashmir Medical Supplies Corporation (JKMSCL) is functioning as the project implementation unit for the procurement of various critical care medical equipment to be provided to the hospitals across J&K. Dr Shah said that JKMSCL officials have been directed to complete the procurement without any delays and as per world bank guidelines.

"Till their safe and honourable return to their homes and hearths in the Valley, every effort is needed to be made to mitigate the sufferings of the migrants," Rana said during his visit to the Jagti Township and interaction with those sitting on dharna.

As a mark of solidarity, he along with leaders of the

National Conference Minority Cell, sat with the protesters, who are demanding increase of cash relief from Rs. 13000 per month to Rs. 35000 per family, disbursement of pending amount of compensation for their damaged properties and retrieval of their encroached lands and houses in the Valley.

The protesting migrants have also been demanding filling up of the remaining 3000 posts under the Special Prime Minister's Employment Package announced due to strenuous efforts of the then government led by the National Conference.

GK NEWS DESK

Jammu, Jan 29: Former Chief Justice of Jammu and Kashmir, Justice BA Khan today expressed grief over the demise of Krishan Dev Sethi.

Paying tributes, Justice Khan said that "I am grieved at the passing away of Krishan Dev Sethi Sahab whom we would fondly call "Baday Sethi Sb."

"I had a long association with him dating back to my struggling days when I became a participant in "Sethi sb's Darbars" which he would hold every evening in the office chambers of Kashmir Times Chief, late Ved Bhasin. It was a

mini-club of sorts with few members most of whom would religiously attend to listen to Sethi Sahab's experiences of the political and social field and his lament on the current state of affairs," said Justice Khan.

He said that "Sethi Sahab's evening sessions would suffer a break and shift to Former Chief Minister Mufti Mohammed Sayeed place when he was in town and whether in or out of power."
