'NGT benches cannot be set up in every state'

Abraham Thomas
letters@hindustantimes.com

NEW DELHI: The Supreme Court (SC) on Wednesday upheld the provisions under which the National Green Tribunal (NGT) was set up and said that there was no need to have the green panel's benches in every state.

The court dismissed a petition which questioned specific provisions of the National Green Tribunal Act, 2010, on allocation of benches and allowing direct appeals against tribunal orders to the Supreme Court.

The bench of justices KM Joseph and Hrishikesh Roy said, "With the low case load, if the NGT benches are set up in all 28 States and 8 Union territories as is suggested by the petitioners, the judges and other members in these forums might be left twiddling their thumbs. Accordingly, no basis is seen to allow one NGT bench in every State."

The court order came on a petition filed by the Madhya Pradesh High Court Advocates Bar Association and the District Bar Association, having their registered offices at Jabalpur, which demanded for a bench in each state having a High Court. It also challenged the validity of the NGT Act for bypassing appeals to high courts as Section 14 and 22 of the Act provided for direct appeal to the SC.

SC UPHELD SEC 3 OF THE ACT WHICH GAVE POWER TO CENTRE TO FORM NGT BENCHES

The petitioners had claimed that in environmental litigation, issues are local and tribunals should be accessible to people. The petitioners, represented by advocate Siddharth R Gupta, told the court that MP presently has a bench at Bhopal which caters to three states - MP, Chhattisgarh and Rajasthan. Gupta argued for an NGT bench for MP to be located at Jabalpur.

The bench noted from a chart showing pendency figures across

NGT zonal benches showed that as on March 31 this year, zone wise aggregate pendency of cases was only 2,237, while the average annual disposal by all benches was 2,799, higher than the pendency figure. The court then dealt with the petitioners' argument that NGT should provide for appeal to high courts. The bench said, "The provision for appeal to High Court should not therefore be created by issuing a writ of Mandamus as that would be legislating through judicial order, and would impinge upon the well-founded concept of separation of powers."

The court also upheld Section 3 of the Act which gave the Centre the power to establish NGT benches. "It must be borne in mind that the operationalization of the NGT, including the location of its benches, was closely monitored by the Supreme Court. Since, the Government is acting on the issue with the guidance of this Court, and the Government is obliged to follow the objectives of the NGT Act, adequate safeguards are seen to guide the government..." it said.

CBI ARRESTS KARTI AIDE AS PART OF INVESTIGATION IN ₹50L BRIBE CASE

HT Correspondent
letters@hindustantimes.com

NEW DELHI: The Central Bureau of Investigation (CBI) on Wednesday arrested a close aide and chartered accountant of Congress leader Karti Chidambaram, in connection with its probe related to ₹50 lakh bribe for facilitating project visas for Chinese nationals in 2011, when P Chidambaram, Karti Chidambaram's father, was the union home minister.

People familiar with the development said S Bhaskararaman was arrested early on Wednesday after several hours of questioning. A senior officer at the central agency who asked not to be named claimed there was e-mail evidence linking the bribe and the project visas.

On Tuesday, CBI raided the premises of the Chidambarams and Bhaskararaman besides Vedanta Group's firm Talwandi Sabo Power Ltd (TSPL), claiming ₹50 lakh was paid to a firm, Advantage Strategic Consulting Pvt Ltd (ASPL), controlled by Karti Chidambaram, for facilitating "project visas" for 263 Chinese nationals, who were to work at Vedanta group's 1980 megawatt thermal power project, run by its subsidiary TSPL at Banawala village in Punjab's Mansa district.

The case dates back to events that allegedly took place between July and September 2011, when P Chidambaram was the union home minister in United Progressive Alliance's second term. Visa clearances come under the purview of the ministry of home affairs. Soon after the raids, P Chidambaram in a tweet questioned the timing of the CBI case. Karti Chidambaram, who represents Sivaganga Lok Sabha constituency, said he has lost count of the number of raids on him.

THE CASE DATES BACK TO EVENTS THAT ALLEGEDLY TOOK PLACE IN 2011, WHEN P CHIDAMBARAM WAS THE UNION HOME MINISTER

AIMPLB to back Gyanvapi panel in legal fight

Sudhir Kumar and Oliver Frederick
letters@hindustantimes.com

VARANASI/LUCKNOW: The All India Muslim Personal Law Board will support the Gyanvapi Masjid committee in its legal fight against Hindu petitioners seeking worshipping rights within the mosque premises, a case that will be heard in the Supreme Court and a local court in Varanasi on Thursday.

The Supreme Court will continue hearing a petition by Muslim parties against a controversial survey of the premises, ordered by the Varanasi civil court in April. On Tuesday, the apex court ordered that a section of the complex where a "Shivling" was found—as claimed by Hindu parties on Monday—shall remain protected until further orders but Muslims will have the right to offer namaz in the mosque without hindrance.

The civil court in Varanasi will hear a clutch of petitions by Hindu petitioners, on Thursday, calling for measuring of the "Shivling". District government counsel Mahendra Prasad Pandey filed a second application on May 17 asking for water pipes to be shifted from the tank area, and a third application was filed by the Hindu petitioners on May 18 urging the court to direct the removed advocate commissioner Ajai Kumar Mishra to file the report of survey proceedings in the court. Hearing in the main case could not take place on Wednesday due to lawyers' strike in the district. The court fixed May 19 as the date of hearing for three petitions.

The AIMPLB decided late on Tuesday night to back the Anjum Intezamia Masjid Committee.

"Muslims cannot tolerate the desecration of a masjid. The AIMPLB...decided to provide legal aid to the mosque and its committee. Mathura's Shahi Eidgah mosque was also discussed," said Qasim Rasool Ilyas, executive member, AIMPLB. The board appealed to Muslims to maintain peace, stand with courage and fight the legal battle to the best of ability, Ilyas said.

Facts must come out, says RSS

HT Correspondent
letters@hindustantimes.com

NEW DELHI: In its first official statement on the Kashi Vishwanath temple-Gyanvapi Mosque issue, the Rashtriya Swayamsevak Sangh (RSS) on Wednesday said facts about the case should be allowed to come out.

Speaking at a function here, the outfit's publicity in-charge, Sunil Ambekar, said, "There are some facts coming out in the open. I believe we should let the facts come out... In any case, truth always finds a way to come out. How long can you hide it?"

Union Minister Sanjeev Balyan who was also present on the occasion said the "findings" made him "emotional".

Part of survey report submitted in court

HT Correspondent
letters@hindustantimes.com

VARANASI: A day after being removed as the advocate commissioner by a local court here, Ajai Kumar Mishra on Wednesday submitted a report of the video survey of Gyanvapi complex conducted by him on May 6 and 7 before the court, people familiar with the development said.

The report, comprising part of the court commissioner's proceedings, was taken on record by the court of civil judge (senior division) Ravi Kumar Diwakar. The report of the proceedings of the remaining three days (May 14, 15 and 16) is likely to be submitted by special court commissioner Vishal Singh on Thursday, an official told HT requesting anonymity.

Thakur announces incentives for shooting of foreign films in India

Asian News International
letters@hindustantimes.com

CANNES: Union information and broadcasting minister, Anurag Thakur, on Wednesday said the government was ready to take the necessary steps to make India a global content hub.

Speaking from the India pavilion at the Cannes Film Festival in France, Thakur said India aimed to become a destination of the world for filmmaking, film production and post-production.

He then announced an incentive scheme for audio-visual co-production and shooting of foreign films in India with a cash incentive of up to 30% and a cap of \$260,000.

"We'll do whatever we can to make India the content hub of the world and to make India destination of the world for filmmaking, film production and

Union minister Anurag Thakur with actor Deepika Padukone in Cannes, Paris, on Wednesday.

post-production," he said. He also announced incentives to boost local employment.

"In the case of foreign films that will be shot in India, an additional bonus with a cap of \$65,000 for employing 15% or

more manpower in India," the union minister said.

Prime Minister Narendra Modi had on Tuesday expressed happiness at India's participation as the 'Country of Honour' at Cannes Film Market.

{ FROM PAGE 1 }

INDRANI BAIL

told the top court that the trial would not end soon as 185 out of 253 witnesses in the case are yet to be examined. Moreover, the trial judge hearing her case was on leave from June 7, 2021 till May 4, 2022, further delaying the trial, the plea stated. She also claimed in the plea that being a woman and suffering from health issues, she deserved to be released on bail.

The prosecution, led by the CBI, had opposed the bail plea and informed the court that the trial will not take long as the prosecution will be giving up on 50% of the remaining witnesses. In response, the bench, also comprising justices BR Gavai and AS Bopanna, said, "Admittedly the petitioner is in custody for six-and-a-half years... Even if 50% witnesses are given up, the trial will not be completed soon. We are of the view that the petitioner be released on bail subject to conditions fixed by the trial court."

Indrani is currently lodged in the Byculla women's prison in the city. She was arrested in August 2015 for her alleged involvement in strangling Bora, then 24, in 2012 and then burning her corpse and disposing of her body in a forest in Raigad. Indrani's driver Shyamwar Rai and her former husband, Sanjeev Khanna, were also arrested for the crime. Mukerjee, to whom Indrani was married at the time — the couple got divorced in 2018 — was arrested in November 2015 after the CBI took over the investigation.

Indrani moved the Supreme Court in February after the Bombay high court (HC) denied her bail application for the second time. The special CBI court, where the trial has been ongoing since 2017, has refused her bail application on multiple occasions.

The CBI had opposed Indrani's bail plea in the Supreme Court, and told the court in March that Indrani was accused of committing a heinous act of planning and killing her own daughter, and since she is an influential person, there was every apprehension that she will threaten, intimidate or induce the prosecution witnesses.

Senior advocate Mukul Rohatgi, who appeared for Indrani along with advocate Sandeep Singh, told the court that while releasing Peter on bail, the trial judge directed him to deposit his passport (as he is

a UK national) and intimate the special CBI court conducting the trial for travelling abroad. The other bail conditions on which he was released on bail required him to intimate CBI about any change in address, and to not influence witnesses, not tamper with evidence, avoid contact with his children, and regularly attend trial.

The top court directed that the conditions applicable to Mukerjee shall also apply to Indrani, in addition to any conditions ordered by the trial court. Additional solicitor general (ASG) SV Raju, appearing for the CBI, opposed bail claiming that the charges were grave and the evidence directly pointed to Indrani's guilt. He further informed the court that Indrani was accused of screening material and the evidence of Peter's son Rahul Mukerjee (with whom Sheena was in a live-in relationship) was still to be recorded.

In her bail petition, Indrani had even suggested that a jail inmate told her that Sheena was alive. The CBI denied this in its affidavit filed before the top court and said the suggestion that Sheena is still alive is a "figment of imagination" of the petitioner.

(With inputs from Charul Shah and agencies)

WMO CLIMATE CRISIS

WMO said, adding that global mean sea level also reached a record last year after increasing at an average 4.5 mm per year over the period 2013-2021. This is more than double the rate of rise between 1993 and 2002 when the sea level rise by 2.1mm

per year. "This has major implications for hundreds of millions of coastal dwellers and increases vulnerability to tropical cyclones," WMO added.

Several regions continue to be affected by a rate of sea-level rise substantially faster than the global mean. "It is just a matter of time before we see another warmest year on record," WMO Secretary-General Petteri Taalas said on Wednesday. "Our climate is changing before our eyes. The heat trapped by human-induced greenhouse gases will warm the planet for many generations to come. Sea level rise, ocean heat and acidification will continue for hundreds of years unless means to remove carbon from the atmosphere are invented. Some glaciers have reached the point of no return," he added.

In India, more than 1 lakh people were displaced in India between November and December 2021 alone due to climate related hazards, WMO said. It added that India has among the highest number of people facing prolonged displacement who are not able to return to their homes after climate hazards.

WMO referred to data from the Internal Displacement Monitoring Centre which cites a ministry of home affairs report on a low-pressure system that brought heavy rainfall and flooding to Andhra Pradesh in November 19-24. A total of 79,680 people were evacuated to relief centres. Rainfall and flooding in Puducherry from November 19-21 resulted in at least 2,294 new displacements according to disaster management authorities. HT reported on November 26 that parts of

Peninsular India recorded exceptional amounts of rain which led to large-scale flooding over AP's Rayalaseema and Chennai. Peninsular India recorded 143.4% excess rain between November 1 and 25, leading to flooding and damage to infrastructure.

Hydro-meteorological hazards continued to contribute to internal displacement last year, countries with the highest numbers of displacements recorded as of October 2021 in China (more than 1.4 million), Vietnam (664,000) and the Philippines (600,000), WMO said. At the

beginning of 2021, at least 7 million people were living in internal displacement following disasters. According to the Internal Displacement Monitoring Centre (IDMC), the largest numbers of people in this situation were in Afghanistan, India, Pakistan, followed by Ethiopia, Sudan, Bangladesh, Niger and Yemen.

"India needs to climate-proof its economic sectors by integrating granular information on climate risks and investing in ecosystem-based approaches," said Abinash Mohanty, program lead for the Council on Energy, Environment and Water.

GOVERNMENT OF WEST BENGAL
APPOINTMENT TO THE POST OF CHAIRPERSON OF WEST BENGAL ELECTRICITY REGULATORY COMMISSION

Applications are invited from eligible persons for appointment to the position of Chairperson of the West Bengal Electricity Regulatory Commission. Details are available in www.wbpower.gov.in. 'Start student polls', demands Maharashtra students' body

HT Correspondent
htmetro@hindustantimes.com

MUMBAI: In a bid to ensure that students get a say in the decision-making process to address various issues related to them on campus, several student bodies are demanding the reintroduction of student body elections in universities across the state. A delegation of students represented by the Maharashtra Students Union approached the state minister for higher and technical education, Uday Samant with this request earlier this month.

"For a university catering to more than 800 colleges, students' complaints will come from different areas and will refer to one of several departments of the university. Having a point of contact who is an elected member, other than a senate member, is very important," said Siddharth Ingle, speaking for Maharashtra Students Union (MASU).

In July 2019, the University of Mumbai (MU) released a schedule to conduct student elections. Starting mid-August 2019, nominations were to be invited from all MU affiliated institutes to fill up posts including student council president, secretary, reserved category representative (RR), and lady representative (LR) among others.

This, however, was delayed first due to the 2019 state elec-

tions, and eventually due to the Covid-19 lockdown. "Several issues of students go unheard because they don't know whom to contact. Having an elected representative will make it easier for them to reach out to the authorities

SIDDHARTH INGLE, speaking for Maharashtra Students Union (MASU)

In July 2019, the University of Mumbai (MU) released a schedule to conduct student elections.

Starting mid-August 2019, nominations were to be invited from all MU affiliated institutes to fill up posts including student council president, secretary, reserved category representative (RR), and lady representative (LR) among others.

This, however, was delayed first due to the 2019 state elec-

banned in Maharashtra in 1994 after a spate of kidnappings and violence became the trademark of campus politics. The violence reached a tipping point on October 5, 1989, when Owen D'souza, a student of Mithibai College in Vile Parle and a district president of the National Students Union of India (NSUI), the student wing of the Congress party, was brutally murdered outside the college. Five years later, student elections were banned across Maharashtra.

The Maharashtra Universities Act 1994 had replaced elections with nominations for student representative bodies in colleges and universities. Students were hand-picked by college and university authorities based on their academic track record. With the new Maharashtra Public Universities Act 2016 replacing the old one, the state government has not only revived elections but has also widened its scope.

Land pooling: DDA issues notices to form consortiums

The provisional notices have been issued to landowners

STAFF REPORTER
NEW DELHI

In an attempt to revive the dying interest in its land pooling policy, the Delhi Development Authority (DDA) has issued conditional notices for the formation of consortiums in three high-priority sectors falling under zones N and P-II, where 70% participation of landowners has been achieved.

In case, constituent landowners fail to form consortium, such notice shall be deemed cancelled

DELHI DEVELOPMENT AUTHORITY

these sectors has achieved the minimum participation rate of 70%, the pooled-in land parcels are not contiguous.

Once a consortium in a particular sector comes into being, it becomes the consortium's responsibility to convince the other landowners of that particular sector to pool in their land parcels, so that the minimum threshold of 70% contiguous land is reached and the sector becomes eligible for development works.

to landowners – who have expressed interest in the policy – on the condition that they will ensure contiguity in land within 90 days.

The issuing of conditional notices to form consortiums of landowners was one of the measures announced by the Union Minister for Housing and Urban Affairs, Hardeep Singh Puri, in March to expedite the execution of the land pooling policy.

'99% DTC fleet past its use-by date'

Delhi BJP chief demands probe into maintenance of buses

SPECIAL CORRESPONDENT
NEW DELHI

Six Delhi Transport Corporation buses caught fire in the Capital over the past month. Highlighting these incidents, the BJP's Delhi unit chief wrote to the Union Home Minister Amit Shah on Wednesday demanding a probe into the maintenance of the buses run by the DTC.

Delhi BJP president Adesh Gupta alleged that it was due to rampant corruption that the DTC was now standing at the "altar of destruction".

"The past one month saw

six DTC buses being reduced to ashes after catching fire. This shows how badly everything is being governed by the Kejriwal government," Mr. Gupta alleged in his letter to Mr. Shah.

A senior government official said a committee of experts was working on investigating such incidents – the latest among which occurred when a bus being operated under the cluster scheme burst into flames in Govindpuri on Tuesday – and suggesting pre-emptive solutions.

Reject those who divide people on basis of religion, region, ethnicity: Omar Abdullah

Jammu, May 18: National Conference (NC) vice-president Omar Abdullah Wednesday said the claims of the government with regards to development and employment generation is contrary to the ground situation.

Addressing a one-day public convention at Kotranka, Rajouri, Omar urged the people to maintain communal harmony and brotherhood and reject those who are conspiring to divide people on the basis of religion, region and ethnicity. "The reality is that all the claims made by them have fallen flat as there was no benefit of decision on the ground. They talk about jobs, peace and end to militancy but none of this happened over the last nearly three years," he said.

"What worse in the media, hear from the government and visitation to the ground. It was claimed that Articles 370, 35A and regional par-

ties were halting the region's development prospects. To achieve it, the incumbent government stripped the region of its status, downgraded it to UT, and bifurcated it. The promises which were made by the ruling dispensation in the run up to the decision are not visible in any way," he said. "I've never seen any government, which is so daunted by a single word as 'development', but cannot seek answers from the government. There is no accountability. Had there been any achievement in the kitty of government, we would have certainly visited the ground. It has been 'no' as has been 'no', he said adding, "People across Jammu and

Kashmir are suffering from the double whammy of inflation, development deficit and unemployment. Irony here is that people are even allowed to ask questions." "Let alone ushering development and bringing investment, the situation with regards to basic facilities like public utility services in J&K, particularly Pithampur, is deplorable. It is not the rich who are suffering, it is the poor who are at the receiving end of it. Usually people would flock to public representatives to have their issues redressed but these days they are at sea as to where to go to have their issues redressed," he added.

Legitimate elected govt only antidote to extremist violence: Harsh Dev

Jammu, May 18: AAP leader Harsh Dev Singh Wednesday said that with state of J&K having been dismantled and downgraded and, according to him, "proxy rule of BJP imposed in the last three and half years, it was the well experiment of BJP govt that was responsible for the prevalent crisis in the erstwhile state. The haughty and supercilious claims of power and no-morality stood fully exposed in the wake of escalation of militancy and selective killings going unabated in the UT especially in the valley."

"Not only had the incidents of political and civilian killings in J&K increased but the hitherto peaceful areas like Udhampur and Kathra had also been brought under the present 'Babu Raj'. The economy was worst impacted and development had come to a standstill," he said.

crucial, Singh maintained that a legitimate elected government alone is the panacea to the ills afflicting J&K. He said that on 5th Aug 2019, the BJP led government at the centre had caused the greatest embitterment in the hearts and minds of the people by denigrating the status of statehood to a Union Territory. Singh said that it was the latest state in the country which was conceptualized and created by our revered rulers and extended with countless sacrifices made by our ancestors for the freedom of the nation. He said that the incidents of political and civilian killings in J&K increased but the hitherto peaceful areas like Udhampur and Kathra had also been brought under the present 'Babu Raj'. The economy was worst impacted and development had come to a standstill," he said.

55 StartUps registered with ISRO, 75 students' satellites being launched: Dr Jitendra

New Delhi, May 18: Over 55 StartUps have registered with the Indian Space Research Organisation (ISRO), Department of Space, in just about two years since the Indian Space Sector and the ISRO were opened to the private sector, on the personal intervention of Prime Minister Narendra Modi.

In addition, 75 students' satellites are scheduled for launch this year to coincide with Azadi Ka Amrit Mahotsav, celebrating 75th year of India's Independence. The Union Minister of State, Dr. Jitendra Singh, while chairing the 4th joint meeting of all the science ministers and departments. The minister said, this is the first time that such a large number of start-ups are being registered with ISRO. He said that the fact that for all those years, the department of space and ISRO were working without being accessible to others and over two years back, the announcement to open them to private players was hailed by the media as "Unlocking" of the Indian Space sector. This, he said, could be possible only because PM Modi has the courage and the conviction to take out of the box decisions in the interest of the nation and to break the obsolete taboos of the past.

Dr Jitendra Singh further informed that out of 55 proposals, 25 are satellite related, to be for Space Applications and Products, 10 related to Launch Vehicle and 8 about Ground Systems and Research. He said that the proposals from the Start-ups are expected to be completed by 2022-23. Dr Jitendra Singh said, it was Modi's vision which created history by unlocking India's potential in the Space sector, thus paving the way to transform skill, capacity and creativity to make the country self-reliant and technologically advanced. Dr Jitendra Singh also pointed out that the ISRO, which will function as an inter-ministerial integrated media

Call for all ISRO departments and Vigyan Prasar will be merged into it. He asked the departments and officials present to showcase success stories of departments and start-ups and to promote them as far as possible. He also directed that workshop on success stories must be organized at regular intervals. During the meeting, Dr Jitendra Singh conducted a thorough review of the draft agenda of the State S&T Ministers Conference to be held in near future and commended the initiatives of Karnataka and Andhra Pradesh. He said that the first ever National Science Conference. The Minister suggested that thematic and state-specific discussions could be included in the Conclave involving states, industry representatives, and other stakeholders.

NC leader visits Rahul Bhat's residence, expresses condolences

Jammu, May 18: Former minister and central zone president National Conference (NC), Balu Ramphal Wednesday visited the residence of Late Rahul Bhat at Durga Nagar to share his grief with the family of the martyr and to convey deep condolences.

Accompanied by other leaders of the National Conference viz senior leader and former MLA Qazi Jatal-ud-din, secretary central zone & coordinator Jammu (Dr. Jitendra Singh), Dr. Vikas Sharma, secretary central zone, Adm. A. Islam, Choudhary, Jatin Bhat, Veerji, Rakesh and Ashwani.

While praying for peace to the departed soul and enough strength to the bereaved family to bear the irreparable loss, Balu Ram-

phal said, "No words are enough to express our grief and shock over the deplorable and most barbaric act of killing perpetrated by terrorists. The martyr who has been killed is the party president Dr. Farooq Abdullah had aptly described the Dr. Ghulam Nabi Khan as the Pandit brothers took out an assault on the every soul of Kashmir."

Former Minister said that the martyrdom of Late Rahul Bhat has shocked and saddened the people across Jammu and Kashmir, which has been bearing the brunt of terror for decades. He said there is no place for terrorism in the civilized society and the people want the move to be implemented with iron hands once for all.

Public support needed to streamline working of J&K Waqf Board: Dr Darakhshan

Visits Aishmuqam shrine, promises facilities for pilgrims on priority

Srinagar, May 18: Chairperson J&K Waqf Board, Dr Darakhshan, Amdrabi Wednesday visited Zainab Wali (ra) at Aishmuqam and took stock of the facilities there. She was accompanied by the members of Waqf Board Dr Ghulam Nabi Khan and Syed Mohammad Hus-

ain. Dr Darakhshan was accompanied by a large gathering of people there. All Sajidists and the dignitaries of Waqf Board along with representatives of local administration, which has been bearing the brunt of terror for decades. He said there is no place for terrorism in the civilized society and the people want the move to be implemented with iron hands once for all.

Dr Darakhshan was accompanied by a large gathering of people there. All Sajidists and the dignitaries of Waqf Board along with representatives of local administration, which has been bearing the brunt of terror for decades. He said there is no place for terrorism in the civilized society and the people want the move to be implemented with iron hands once for all.

ment financial package from government of India for the shrine of Zainab Wali (ra) which will be spent through tourism department of J&K government for up-gradation of the shrine and creating of facilities for pilgrims here. "Spiritual tourism will boost our economy and on the other hand also spread the spiritual message of our faith to the whole world. Public has also come forward to play their role in donating for the development of these shrines and also creating a social service fund that needs to be taken care of. I appeal to their people the land of saffron to come forward to help in managing our shrines, in offer free services for the development of facilities at these spiritual centers," said Dr Andrab. She assured that the era of transparency and accountability in Waqf has started in J&K. In reply to question about the pilgrims from MRFI Pandit employees, Dr Andrab heavily slammed the government for not taking care of them as they did it in the past. But assured that the government will do everything needed to see that such incidents do not recur. She appealed to the civil society to come out openly against these cowardly incidents. She said that Kashmir to remain in boiling fever.

PDF chairman urges HCI to accommodate all women Haj pilgrims without Mehram nearer to Harmain Shariefain

Srinagar, May 18: Chairman People's Democratic Front (PDF) and former minister, Iqbal Khan, Wednesday urged the HCI Committee of India to accommodate all the women Haj pilgrims (without Mehram) together in the boarding and lodging facilities near to Harmain Shariefain.

He said that the government should make a provision for Haj pilgrims under without Mehram category from across the country including 3 from Kashmir valley have been selected to perform Haj 2022 adding that the new experiment need to be made successful. Iqbal Khan, said since performing Haj without Mehram is a new experience for these women, it is kind in the Islamic history, all possible facilities need to be provided to them, to make the new experiment successful in all respects, especially providing accommodation nearer to Harmain Shariefain (Makkah and Madina).

He said that the women Haj pilgrims should be air-lifted in the first flight to the holy places of Saudi Arabia, Medina. Only female Khadims of 400 Khadims (Lijaz selected for Haj 2022, must be developed for Haj and assistance of the women Haj pilgrims and their contact numbers should be shared among the HCI and HCI that they could be easily accessed at the time of help. Iqbal Khan said that a good-hill gesture, women Haj pilgrims without Mehram should also be provided for the boarding and lodging facilities at Makkah Sharif and Madina Sharif.

PDP pitches for probe into mysterious fire incidents pervasive across JK

Srinagar, May 18: Peoples Democratic Party (PDP) Thursday expressed serious concern over an unprecedented spike in fire incidents in Jammu and Kashmir over the last few months, demanding a thorough and transparent inquiry into such a trend, asking the administration to make the finding of the probe public.

PDP chief spokesperson in a statement said that a dreadful spike in mysterious fire incidents is being witnessed across the state leaving masses petrified and anxious to know the reason. He said that to town issues and properties worth millions of rupees are destroyed in these unfortunate episodes almost every day. "In view of the overall situation prevailing in Jammu and Kashmir, the large-scale fire incidents have given rise in apprehensions among the people. Besides private properties, the blaze is now destroying government buildings including the civil secretariat. Jammu's law department and now the traf-

fic headquarters were gutted in the heart of the PDP city. The crucial records are reduced to rubble. It must be shared with the people what records got destroyed during the fire incidents in government buildings. A thorough and transparent probe is the need of the hour," the chief spokesman said.

He added that there is a deafening silence being witnessed within the administration circles and instead of coming out with comprehensive planning pertaining to

the safeguarding of private and public properties, the administration has frantically adopted an indifference attitude towards the entire crisis. "There is no compensation being given for the victims. Hundreds have been rendered homeless overnight by these ravaging fire incidents. Gone are the materials acquired after years of hard labor have gone up in smoke, leaving a trail of grief, seeking emotional devastation behind," the PDP chief spokesman said.

He said that there is a deafening silence being witnessed within the administration circles and instead of coming out with comprehensive planning pertaining to

Gh Hassan Mir chairs AP leaders meet in Jammu, discusses public, organizational issues

Jammu, May 18: Apni Party (AP) senior vice-president, Ghulam Hassan Mir Wednesday asked the party leaders and workers to intensify public outreach programmes in every nook and corner of Jammu province.

A party statement said that Mir was chairing an important meeting of the party leaders at Apni Party office in Gandhi Nagar where he reviewed the organizational issues to strengthen the Party at the grass root level and he discussed various issues confronting the public. In his address, he asked the party leaders to go to the people at the grass root level and inform them about the policies and agenda of the party.

He said that the party should not be left alone and instead the Party should approach them at the ground level in every village, remote areas, cities and towns. "We must work for the welfare of all the people and upliftment of the nation. We must work for the society as a whole. He said that the Apni Party leaders should work for unity and communal harmony without any regional bias. He also discussed various organizational issues with the leaders and chalked out a strategy about how to take forward the policies of the party.

DDC chairperson, DC preside-over mega public outreach programme at Gullbagh, Gbl

Ganderbal, May 18: The District Development Council (DDC) Chairperson, Nazhat Ishfaq and Deputy Commissioner (DC) Ganderbal, Shyamir Wednesday jointly presided over a mega public outreach programme at Gullbagh, here. As a part of weekly Black Diwas, a mega public outreach program was held by district administration (Ganderbal) at Gullbagh which witnessed the active participation of locals including PRIs who presided the DDC Chairperson and DC about various issues and grievances and sought their intervention for early redressal. DDC members and DDC chairperson Ganderbal were also present on the occasion. Additional Deputy Com-

missioner Ganderbal, Khurshid Ahmad Shah, Additional Deputy Commissioner, Farooq Ahmad Babu, ASI, ACJ, Executive Engineer, Jal Shakti and other field functionaries of various departments were present during the camp. The PRIs and locals apprised the debut about various issues like water scarcity in the area, better health and education facilities up gradation of boys Secondary School Gullbagh, misadministration of funds, public transport and banking facility, HF irrigation facility, and other related issues concerning their respective areas. Speaking on the occasion, the DC assured the PRIs that all their genuine issues

would be taken into consideration in a time bound manner adding that regular feedback would be taken from concerned departments regarding the redressal of genuine issues pertaining to their departments. He said, the demands which could not be redressed at the higher authorities for the redressal, he added. Regarding the portable water issue in the area, the DC directed the concerned department to be called for report to be submitted in this regard. The DDC Chairperson also assured the locals that the issues and demands put forth would be taken up with the concerned departments for timely redressal.

RASM-E-CHAHARAM
With Profound grief and sorrow, We inform the sad demise of **Mohd Ashraf Bhat**

J&K Bank
Serving To Empower

NOTICE
Pursuant to Section 12(4)(f) of the Companies Act, 2013 read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016.

Shareholders of the Bank are hereby informed that pursuant to the provisions of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("the Rules") the dividend declared during the Financial Year 2014-15, which remains unclaimed for a period of seven years have to be credited to the EPF in August, 2022. The corresponding shares on which dividend is unclaimed for seven consecutive years will also be transferred as per the procedure set out in the said Rules. In compliance to the Rules, the Bank, on May 18, 2022, has sent individual notices to the shareholders whose shares are liable to be transferred to EPF. The details of such shares liable to be transferred to EPF are also made available on the Bank's website on the following link: <https://www.jkbank.com/investor/stockexchangeinformation/shareholderinformation.php>

Shareholders of the Bank whose dividend remains unclaimed are requested to claim the dividend declared during the Financial Year 2014-15 and onwards before the same is transferred to EPF. In case the Bank does not receive any communication from the concerned shareholders on or before August 31, 2022, the Bank will have to adhere with the requirements of the Rules and shall start the process of transferring the dividend to EPF. The Bank will not be liable for any loss or damage to the shareholders in case of any such transfer of dividend to EPF without their consent. Shareholders are requested to contact the Bank in respect of unclaimed dividend amount and shares transferred to EPF. Shareholders may however, claim the dividend and corresponding shares transferred to EPF including all benefits relating to such shares if any, from the EPF authorities after following the due process as prescribed under the said Rules.
