#### PRESS TRUST OF INDIA Mumbai, June 20

FINANCE INDUSTRY DEVELOP-**MENT**Council (FIDC) has written to the government requesting setting up of a refinance window for non-banking financial companies (NBFCs), especially smaller players, for on-lending to the MSME sector.

In a letter addressed to Union minister for micro, small and medium enterprises (MSMEs) Nitin Gadkari, FIDC said banks are one of the major sources of funding for NBFCs, with the small and medium sized non-bank players being totally dependent on banks.

With the changing economic environment and the associated

#### PRESS TRUST OF INDIA New Delhi, June 20

**INDIA RECORDED LESS**than 60,000 new coronavirus infections after 81 days taking the total tally of Covid-19 cases to 2,98,81,965, while the active cases further reduced to 7,29,243, according to the Union health ministry data updated on Sunday.

A total of 58,419 fresh infections were reported in a day. The death toll climbed to 3,86,713 with 1,576 fresh fatalities, the lowest in 63 days. The active cases further declined to 7,29,243 comprising 2.44% of the total infections, while the national Covid-19 recovery rate improved to 96.27%, the data updated at 8 am showed. A net decline of 30,776 cases has been recorded in the Covid-19 caseload in a span of 24 hours. As many as 18,11,446 tests were conducted on Saturday taking the total cumulative tests conducted so far for detection of Covid-19 in the country to 39,10,19,083. The daily positivity rate was recorded at 3.22%. It has been less than 5% for 13 consecutive days, the ministry said, adding the weekly positivity rate has declined to 3.43%. Recoveries continue to outnumber daily new cases for the 38th consecutive day. The number of people who have recuperated from the disease surged to 2,87,66,009, while the case fatality rate stands at 1.29%, the data stated. Cumulatively, 27, 66, 93, 572 Covid-19 vaccine doses have been administered so far. India's Covid-19 tally had crossed the 20-lakh mark on August 7, then 30 lakh on August 23, as many as 40 lakh on September 5 and 50 lakh on September 16.

FIDC said banks are one of the major sources of

funding for NBFCs, with the small and medium sized non-bank players being totally dependent on banks

developments, NBFCs, especially, small and medium sized ones, are facing liquidity crunch.

Moreover, banks are constrained by the exposure limits prescribed for the NBFC sector, the letter said, adding that it is therefore important that a permanent refinancing mechanism is developed for NBFCs.

"We suggest that SIDBI (Small

Industries Development Bank of India) may be allocated funds exclusively for refinancing NBFCs for on lending to MSMEs, with a carve out for small NBFCs. This refinance may be provided for a period of at least three years," FIDC, an industry body of NBFCs, said.

It said retail and wholesale traders who contribute significantly to the economy and are integral part of the business community have been excluded from the definition of MSMEs.

These traders constitute around 35% of total MSMEs in the country and are thus not eligible for liquidity support from the banking system and extension of priority sector benefits much needed for them, it said.

## Can't pay Rs 4 lakh ex-gratia to COVID-19 victims: Centre to SC

#### NEW DELHI, June 20:

The Centre has told the Supreme Court that ex-gratia compensation of Rs 4 lakh cannot be paid to the families of those who have died of COVID-19 as it is beyond fiscal affordability and the finances of central and state governments are under severe strain.

In an affidavit filed before the top court, the Ministry of Home Affairs said the Centre submitted that it has by ways of "Minimum Standard Relief", under section 12 of the Disaster Management Act, 2005, taken several steps providing for substantial and speedy measures by way of increase in health, infrastructure, ensuring food safety to every citizen.

"The prayer of the petitioner for payment of ex-gratia to all deceased persons due to COVID-19 is beyond the fiscal affordability of the state governments. Already the finances of state governments and the central government are under severe strain due to the reduction in tax revenues and increase in health expenses on account of the pandemic.

"Thus, utilisation of scarce resources for giving ex-gratia may have unfortunate consequences of affecting the pandemic response and health expenditure in other aspects and hence cause more damage than good. It is an unfortunate but important fact that the resources of the governments have limits and any additional burden through ex-gratia will reduce the funds available for other health and welfare schemes," the affidavit filed by the Centre said.

It further submitted that under the Disaster Management Act, 2005, Section 12, it is the "National Authority" which is empowered to recommend guidelines for the minimum standards of relief, including ex-gratia assistance and this is the function entrusted to the authority by the law passed by the Parliament. "It is well settled through

numerous judgements of the compensation of Rs 4,00,000 to the authority, to whom it has been uine" and are under consideraentrusted and not one where the tion of the government. Court will substitute its own judgement for the decision to be

taken by the Executive. "Any attempt to second guess may create unintended and unfortunate constitutional and administrative ramifications. It may also

be noted that the term 'ex-gratia' itself connotes that the amount is not based on legal entitlement," the affidavit stated. The Centre told the apex

court that it is wrong to state that the help can be provided only through ex-gratia assistance as "it would be a rather pedantic and narrow approach'

"A broader approach, which involves health interventions, social protection, and economic recovery for the affected communities, would be a more prudent, responsible, and sustainable approach. Globally, the governments in other countries too have followed this approach, and have announced interventions that provide fiscal stimulus. Government of India has followed a similar approach," it said.

Earlier on June 11, the Centre had told the top court that issues raised in the pleas, seeking directions for ex-gratia
