The calculation of AMB (for charges calculation) has been customized by DC wherein debit balances in a CD account are treated as 0 (Zero) i.e. on the day when there is a debit balance in a CD account the day will count while as debt balance will not be counted for calculation.</p>	
	<ul style="list-style-type: none"> MIS shall extract the list of accounts having available balance less than the prescribed minimum limit on the last day of every month at EOD. Service Operations (Mobile Banking & UPI) shall send a chargeable SMS Alert / e-mail to all such customers on the next working day i.e. 1st day of the next month with time, informing them about the shortfall and likelihood of minimum balance charges being levied. Charges as per the proposed methodology (proportionate balance) shall be applied centrally on monthly basis in the 1st week of next succeeding month & if an account is not having balance equal to applicable charges a lien (equal to the applicable charges) to be marked in such cases. The lien should get withdrawn when the account is funded so as to realize the charges in arrears on regular intervals. Charges shall be deducted on calendar month basis. However, in case of saving bank deposit accounts opened within / during a particular month, no minimum balance charges shall be applied for that month. 	
	<p>If a customer is found to be in default in maintaining the prescribed AMB for six consecutive months by the Business Unit, the customer shall be cautioned by way of a notice that if he/she fails to fund his account in the ensuing month, his/her account will be closed and he/she shall be responsible for any consequences thereof. The account shall be closed only after due notice to the customer if it qualifies for minimum AMB charges six months in a row. Service Operations shall prompt the required notice in all such accounts where charges for non-maintenance of AMB for six consecutive months have been levied.
